Panther Athletics

This fall, the Pallotti athletic department is offering an intramural sports program. Our fall sports season has been postponed for the foreseeable future, so we thought intramural games would be a fun opportunity for the students to get out of the house, get some exercise, and interact with some of their friends and teachers. Teachers and staff will moderate the teams and ensure that all safety guidelines are adhered to.

A survey was sent out to all students on Tuesday and again this morning to gauge the interest in the program. So far, the majority of the students who have returned the survey want to participate! We are asking that each student submit the survey by the end of the day tomorrow so we can begin planning for a mid-September start date. The link to the survey is below:

The plan is to have 5 weeks of season play and a 6th week for playoffs and championships. Awards will be given to all championship team members.

For those interested in playing Men's Lacrosse, please contact Coach Kirk Dodson at kdodson@pallottihs.org

Pallotti Varsity Cheer will resume practice on Tuesday, September, 15, 2020 at 3:00pm. Location within the school TBD. Please [email](#) assistant coach Rachel Podorski Orozco to sign your student up to attend practice. Please note that all physical paperwork must be submitted to Rank One prior to Sept 15 for athletes to participate. [More info](#) on physical paperwork

Men's Soccer Coach Charlie Peterson will be hosting a Zoom meeting for any student who is interested in playing Soccer this year. Coach Peterson will also go over what their intentions are for the Fall Soccer workouts/training. The Zoom meeting will be next Tuesday, September 8, 2020 at 7:00pm. Those interested may contact Coach C at pcourtemanche@pallottihs.org.

From the Pallotti Parent Guild

Welcome to the 2020-2021 school year! We hope your student has a great first week. The Parent Guild is working with Pallotti Administration on upcoming virtual events and we will share that information once it is confirmed. Here are a few bits of information parents may find helpful this first week:

- Daily schedules will not rotate, students should follow **Schedule 1** for all days, except Wednesday which is asynchronous. The 2020-2021 student handbook will be available soon, but for now you can access last year's [here](#). Page 155 has the Bell Schedule where you can see the time slot for each period under Schedule 1.
- Protected Hour is still available from 2:30-3:15 pm every day if your student needs extra help from a teacher; have them contact their teacher directly.
- If your student is having technical problems accessing a class, have them email their teacher and Mrs. Henehan (bhenehan@pallottihs.org) immediately. Once problem is resolved, students should send a follow up email to both as well.
- If your student is ill and unable to attend classes in-person or online, call (301) 725-3228 to alert the school.

If you have any questions or if there is anything we can do to help support you in the coming months, please feel free to email us at parentguild@pallottihs.org.

In observance with state-mandated COVID-19 restrictions, Pallotti regrettably must postpone our in-person crab feast where we normally celebrate and raise money for Pallotti by enjoying delicious steamed crabs and BBQ food, playing games and winning prizes with over 450 guests. In lieu of such an event, we have organized a Crab Feast To-Go fundraiser where our crab vendor, Chesapeake Seafood Inc of Edgewater, MD will steam large #1 male crabs on site to be picked up by our supporters.

Reserve your crabs to go and pick up time [here](#). Crab sales end 9/16 or when crabs sell out!
