PALLOTTI HIGH SCHOOL **2019 SUMMER CAMP INFORMATION**

Camp Overview

St. Vincent Pallotti High School Summer Camps are an opportunity for young players to improve their current skills and develop new skills in a positive and fun environment. Directed by Pallotti Head Varsity Girls Lacrosse Coach Mark Mozier, this camp will emphasize fundamentals such as ball handling, passing, shooting, moving without the ball, as well as specific positional skill development. Coaches have vast experience in coaching a variety of skill levels so each camper will receive individualized instruction based on their skill level! The cost of Summer Camp includes the use of Pallotti's athletic & academic facilities, and for the safety of the campers, all staff are trained to Maryland Department of Health standards. All head coaches are also CPR and First Aid certified. Come be a part of the Pallotti Panther family!
