From Administration

All families who currently receive **financial aid** and will be returning to Pallotti next year must complete a financial aid application for 2020/2021. If you currently do not receive assistance but would like to be considered, please register online with TADS and complete the application process. Please log on to www.mytads.com to complete your Financial Aid application for the 2020/2021 school year. Please be sure to upload your supporting documents right away. Please make sure all parties in the household are on the application. If you are separated, we need both party's information.

The **deadline** for applying to both the Archdiocese of Washington and Pallotti for **one fee** is **December 1, 2019**. Your **supporting documents** must be received by TADS by **December 1, 2019**. We cannot consider

your application without your supporting documents. For those who miss the December 1, 2019 deadline, Pallotti will still consider applications for returning students if completed by January 3, 2020. Make sure you have uploaded your supporting documents. Any questions should be directed to Ms. Cathy Cross at ccross@pallottihs.org

Each day at Pallotti, our students experience a wide range of opportunities in academics, athletics, visual and performing arts, and extra-curricular activities—and each day at Pallotti, generous donations to [The Pallotti Fund](#) make a real difference in the lives of our young men and women. These gifts are an investment in our students and their dedicated teachers. We hope that all members of our community—parents, alumni, parents of alumni, faculty/staff and friends—will make a gift. Every donation, no matter the amount, shows support for our school, our mission and our values. Please join us in supporting Pallotti. All gifts are tax-deductible, and have an immediate impact on every student, every day. You may [donate online](#) or mail a check payable to The Pallotti Fund, 113 St. Mary's Place, Laurel MD 20707.
