Join Us in Celebrating 100 Years of Education

The 2020-2021 school year marks a significant year in our school's history—the celebration of 100 years of education in Laurel, Maryland! In 1921, it first opened its doors as St. Mildred's Academy and, since 1934 has been under the guidance of the Pallottine Missionary Sisters who renamed the school to honor their founder, St. Vincent Pallotti.

Our Pallotti community is truly exceptional. Each day our students experience a wide range of opportunities in academics, athletics, visual and performing arts, and extra-curricular activities, and are encouraged to develop their individual gifts and talents.

The Pallotti Fund is an opportunity for everyone to demonstrate an investment in our school and our young men and women. In honor of 100 years of education, please consider a contribution to The Pallotti Fund. Every donation, no matter the amount, shows support for our school, our mission and our values and immediately impacts our students and the challenging and diverse curriculum that makes Pallotti one of the finest schools in the area. You may [donate online](#) or mail a check The Pallotti Fund, 113 St. Mary's Place, Laurel, Maryland.

Thank you for your support.
